LECTIONARY Thank you to those generous parishioners whose donations cover the cost of the new Lectionary.

FLOWERS Budding florists are always welcome to help with the church flowers: Please speak to Denise Henderson.

CLUSTER FLIES You may see flies on the floor of the church. They enter during cold weather and reemerge when it is warm. Professional advice says that fumigation would be needed twice a year, using expensive scaffolding, and would not stop the problem recurring. Ultraviolet insect killers are not viable with our high level of ambient light. So, we tolerate the cluster flies and sweep up. We are always looking for more volunteers to clean the church.

PARISH BAEBECUE For your diary, the Parish Barbecue will take place on 1 September.

JULY This is the Month of The Precious Blood.

COLLECTIONS Thank you for your donations of £149.11 on 23 June.
