LECTIONARY Thank you to those generous parishioners whose donations cover cost of the new Lectionary.

HALL FLOORING The Parish Hall has recently received new flooring, replacing the previous flooring which was some 30 years old. It was becoming increasingly difficult to keep the old flooring clean, and the replacement looks much better. The cost is £10,752 although we have already received some donations towards that. If you would like to contribute further, then please make a donation to The Sacred Heart Parish, by cheque or by online payment. Many thanks.

CLUSTER FLIES You may see flies on the floor of the church. They enter during cold weather and reemerge when it is warm. Professional advice says that fumigation would be needed twice a year, using expensive scaffolding, and would not stop the problem recurring. Ultraviolet insect killers are not viable with our high level of ambient light. So, we tolerate the cluster flies and sweep up. We are always looking for more volunteers to clean the church.

COLLECTIONS Thank you for your donations of £154.65 on 16 June.
